Mr. Argyle R. Mackey

Dear Mr. Mackey:

It has been brought to my attention that [redacted] your San Antonio District Director, has been of great assistance to field personnel of this Agency in carrying out their mission in his District. I understand that not only has [redacted] responded wholeheartedly and ably to all requests made on the official facilities of his office, but also that he has contributed many hours of his personal time to the furtherance of our efforts.

It is extremely gratifying to find that Federal employees, such as [redacted] are so willing to give of their time and energy, particularly in those instances in which our personnel are unable to divulge the purpose or results of the requested assistance.

[redacted] contributions have been outstanding and I should like to take this means of expressing to him, through you, our appreciation for his very capable assistance.

Sincerely,

SEWES

Allen W. Dulles
